Story of SYLRA
Representatives from the Scandinavian countries Denmark, Finland, Iceland, Norway and Sweden came together in Copenhagen on August 15th 2003 to establish the first joint YL organization.
An idea which was born during the International YL meeting in Palermo in June 2002, was then to become a reality.
SYLRA, which is an organization open to all YL and YL SWL will mainly be an Internet based organization with its own web pages.

During the meeting the following contact persons from each of SYLRA´s countries were elected:
OZ7AGR Inger – Denmark
